Company Overview

Artistry In Motion, Inc. is the worldwide leader in the design and manufacture of Special Effects Confetti, Streamers and Delivery Systems, (cannons, blowers and custom systems). We work closely with our clients, whether it's the art director of a show, the props master, a musical artist or the "bride-to-be" to perfect the precise effect desired. We have amassed a wealth of professional experience and knowledge that allows our clients to have confidence in our products, effects and recommendations.

Upon receipt of an order, we custom manufacture all of our products to our client's specifications. We stock the raw materials and have the manufacturing capability to respond to any confetti/streamer need. No job is too large or small, complex or simple and you always get the best product for your needs.

Our client base is a virtual who's who of the entertainment business. We have long term relationships with the leaders around the world in virtually every entertainment arena including: Major theme parks; major theatrical events such as Cirque du Soleil and numerous Broadway shows; television commercials, game shows and award ceremonies; film; concert tours; sporting events (teams) in every professional and college league; corporate events; circuses; kid's traveling shows; cruise lines; Las Vegas shows; numerous special events; and, much more.

It is one of our objectives to be as environmentally friendly as possible. Accordingly, all of our tissue products are sourced from U.S. mills and produced from 80% - 90% post industrial recycled materials. We work with our clients on recycling strategies and we are the leading purveyor of dissolvable (CleanFree™) confetti. When you do business with Artistry In Motion, Inc. you can rest assured that you're getting the "best in the business" from all perspectives.
