## Samples of Artistry In Motion, Inc.® Confetti Shapes

Artistry In Motion, Inc.® specializes in Custom Shaped Confetti. We have the in-house capability to make your artistic vision come to life. Using our proprietary dies and processes we are able to manufacture the precise images that you desire. We specialize in creating custom shapes for any event or specific theme. In general, it's approximately a 2 - 3 week lead-time from the approval of final artwork until delivery of custom shape confetti. Custom shapes can be made from any of our confetti materials such as Tissue or Metallic PVC. A few of our current Custom Confetti Shapes are displayed below in full size. A larger sampling of our shapes can be viewed on the reverse of this card and at [www.artistryinmotion.com/customshapes](http://www.artistryinmotion.com/customshapes).
