Material Safety Data Sheet  
Tissue Paper

Date of preparation 8/1/02

**Section I – Product Identification**

Product name: 10# Bleached and Colored Flameproof Tissue

**Section II – Hazardous Ingredients**

| Ingredient name                    | Weight % | Exposure limits |
|------------------------------------|----------|-----------------|
| Ammonium Sulfate<br>(7783-20-2)    | 1.5%     | NE              |
| Dissociated Ammonia<br>(7664-41-7) | 1.5%     | NE              |
| Ammonium Sulfamate                 | 1.5%     | NE              |

**Section III – Physical Data**

|                   |                       |                   |
|-------------------|-----------------------|-------------------|
| Color: various    | Physical form: solid  | Assay: 91-99%     |
| Odor: none        | Freezing pt: NA       | Boiling range: NA |
| pH: 6.0 – 8.5     | Evaporation rate: NA  | Melting pt: NA    |
| Vapor density: NA | Specific gravity: 1.5 |                   |

**Section IV – Fire and Explosion Data**

|                                        |                                                     |
|----------------------------------------|-----------------------------------------------------|
| Flammability classification: 1         | Flash pt: NA                                        |
| Auto ignition temperature: 451 deg F   | Extinguisher media: water, CO2, foam, dry chemicals |
| Special fire fighting procedures: none | Unusual fire & explosion hazards: none              |

**Section V – Health Hazard Data**

Primary routes of entry: Inhalation: no    Skin: no    Ingestion: yes  
Health Hazards (acute and chronic)/effects of overexposure: none

**Section VI – Reactivity Data**

Stability: stable    Hazardous polymerization: will not occur  
Hazardous decomposition products: none  
Incompatibility: NE    Conditions to avoid: NE

**Section VII – Spill or Leak Procedure**

Steps to be taken if material is spilled or released: collect material to refuse containers  
Waste disposal: incinerate or dispose of in accordance with existing Federal, State, and local  
Environmental regulations.

**Section VIII – Safe Handling and Use Information**

Respiratory Protection: NA    Protective Gloves: NA    Eye Protection: NA  
Other Protective Equipment: NA

**Section IX – Special Precautions and Storage Data**

Precautions to be taken in handling: use care when handling material by edges, small cuts may result.  
Precautions to be taken in storing: keep material away from excessive heat, open flames, and spark sources.

**Section X – Shipping Data**

DOT shipping name: tissue    DOT hazard class: NA    DOT required labels: NA
